

# Need Money for College?

The Community Foundation for Southern Arizona, through the generosity of its donors, offers scholarships to students who have graduated or are graduating in 2012 from high schools in Southern Arizona.

Students who have gone to schools in Cochise, Pima and Santa Cruz Counties, as well as Yuma, Maricopa, Pinal, Graham and Greenlee Counties south of the Gila River may apply.

These scholarships target students who may not be in the top 10% of their class academically but who show potential for academic success and have need for financial help to attend college.

Students can be planning on attending an accredited 2- or 4-year college/university or business/vocational school.

Scholarships are \$3000 per academic year for a 4-year school and \$1000 for a 2-year school.
